MEMORANDUM FOR THE RECORD

Morning Meeting of 13 September 1967

[REDACTED]

25X

A-DD/I called the Director's attention to this morning's CIB item on the OAS-Cuba.

A-DD/I briefed the group on the new limited capabilities of the Defense Communications Agency to transmit photography from Vietnam via satellite.

A-DD/I noted a finished study [REDACTED] concerning two new Soviet submarines. He proposed elite dissemination, and the Director agreed.

25X

Godfrey discussed the Sikkim border situation and said that we are attempting to determine whether the ChiComs have increased their logistic capabilities in this area. (See Action 1)

Godfrey called the Director's attention to the possibility that the vote in the legislative assembly on validating the South Vietnamese election returns may be embarrassingly close.

25X1

[REDACTED] for Carver discussed the political situation in South Vietnam.

Kent said that Bolivia would be the only Estimate on the USIB agenda tomorrow. The DDCI discussed changes which he wished to see in the Conclusions of the Estimate. The DDCI suggested that the ELINT paper on the USIB agenda and similar items in the future be passed to the Eaton panel. The Director asked Sheldon to be the action officer in effecting such distribution.

Warner said that he would attempt to stall a request from the staff of the Senate Preparedness Investigating Subcommittee for an updating of the Soviet ICBM picture until after the completion of NIE 11-8.

Warner said that Representative Derwinski had asked for a briefing on Greece in connection with an upcoming trip. The Director agreed.

Bross noted that the briefing for Dr. Baker yesterday by the S&T directorate had been excellent.

Bross said that Pat Coyne had asked for details on Agency activities in the Middle East. The Director agreed that this matter should be handled by C/NESA in a briefing at Headquarters.

DD/P said that General Carroll would be briefed today on the Agency's [redacted] in connection with his upcoming trip to that area.

25X1

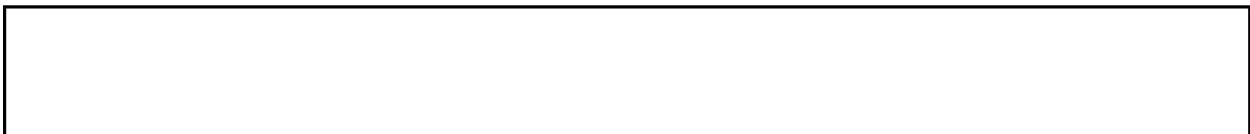

25

DD/P gave a status report on the Cuban exile march on Washington scheduled for 23 September. The Director gave guidance.

DDCI proposed that the final terms of reference for the Eaton panel be passed to USIB. The Director agreed.

DDCI briefed on yesterday's ExCom meeting.

DDCI said that he would be passing to the Director two drafts of a letter to Secretary McNamara concerning the readiness of the SR-71.

The Director confirmed with the Executive Director that the opening ceremony for the new Printing Services building is at 1500 today. He asked the members of the Morning Meeting to be certain that they maintained an adequate system of controls on the number of printing jobs sent to the Printing Services Division.

ACTION:

1. The Director asked DD/P and Godfrey to concert on a cable informing the field of the value to Headquarters of the reporting on the Sino-Indian border situation.
